

Before & After School Enrichment Programs

From Before School to After School, and from
Kindergarten to Summer Camp - *We're Here For You!*

Before School Programs begin at 7am and run until school starts. At their home away from home, students are welcome to enjoy their breakfast, and then engage in our other fun activities and/or prepare for their school day.

After School Programs begin at dismissal and run as late as 6:30pm! On a daily basis we offer healthy snacks, enrichment activities, various clubs, homework help, outside play, and much more!

"DROP-IN" care is available, whenever you need it! Register online one time, and your child can "drop-in" to any of our programs. You are only billed for the days you attend.

Pay only for the amount of care that you need! WFC offers flexible scheduling for 1-5 days per week, and pick-up times of 4pm, 5pm, 6pm, and 6:30pm.

Full Day Programs run on most days when school is closed, at a central location. From 7am-6:30pm, your child can enjoy our guest entertainers, or go on exciting field trips!
